Focusing our Vision Following the Vision Day in June the PCC (Church Council) has not been idle! At its most recent meeting they explored in more detail some of the key themes that we are now working on, including the redevelopment of the church hall to be a facility that serves the church and wider community; undertaking a 'community audit' to explore links with organisations around the parish with which we can connect better; any 'quick wins' to maintain our morale and momentum; and the major fundraising that will be needed to realise this. Do speak to PCC members about this to get more detail.

Last week the organ that was in the St Nicholas Chapel was carefully dismantled and removed. It is now in Germany where it will soon be serving a church and used for their weekly Sunday worship.

Christmas Fair This year's Christmas Coffee Morning and Fair will be held on **Saturday 30th November 11am to 2pm**. I would really love to hear from anyone who would like to be involved in running a stall at this great fundraising and social event in the Minster calendar. Over the coming weeks we will be putting notes in Minster News asking for donations to each of the stalls we will be running. This week I would ask you all to see if you have any unused items that would be suitable to sell as gifts on the Gift Stall. Please bring your donations to the Minster Office. Thank You.
