<https://goo.gl/maps/eiNmh2kr1g5VVqAe7>

We welcome you to Croydon Minster. We encourage all visitors to use public transport if at all possible.

BY CAR - PARKING

Parking around the Minster is by permit only.

Parking restrictions are lifted for times of regular public worship, so if you are coming for a service you may park at the Minster for up to ten minutes either side of a service.

Contractors and other visitors may pre-arrange short term parking permits through the Parish Office office@croydonminster.org

If you are visiting for other occasions (weddings, funerals, Diocesan services e.g. ordinations) please park locally. For funerals the hearse and limousines may park in the Minster forecourt.
